

## Naresh Jain

CEO

Zenplus Private Limited

Dear all,

It fills me with immense pride to share with you the remarkable progress we've made together at Zenplus Private Limited in the first half of 2025. These achievements would not have been possible without the hard work, dedication, and support of our incredible team, valued partners, and supporters. Together, we've upheld our mission by touching numerous lives, building healthier communities, and providing quick and reliable emergency solutions across the nation.

Our brands, Zenplus Private Limited, Zenzo, and Zenplus Fleet, have each played a significant role in driving this impact forward. From enhancing healthcare services to providing advanced mobility solutions, we've remained steadfast in our mission to deliver excellence, innovation, and care. By extending our services and striving to reach more communities, we continue on our journey of creating meaningful impact through everything we do.

A recent milestone we are deeply proud of was the launch of 46 new hi-tech ambulances in Punjab by Zenplus Private Limited in partnership with the state government. This achievement has helped strengthen emergency medical services across the state, ensuring faster response times and life-saving care for those in need.

Furthermore, Zenzo organised a Health and Eye Check-up Camp in Nagpur for RBL Bank employees, demonstrating its commitment to corporate healthcare and employee well-being. We also launched a new Mobile Medical Unit (MMU) in Buldhana, further extending our reach to provide essential healthcare services to underserved communities of the nation.

As we move into the next half of 2025, we strive to continue delivering excellence and enhancing the standards of healthcare services through continuous improvement and a strong commitment to our mission of saving lives. I extend my heartfelt gratitude to our dedicated partners, stakeholders, and each one of you for your unwavering support and trust in us.

Let us continue to march forward together, making a lasting impact and creating healthier, safer, and stronger communities for all.

## DRIVING EXCELLENCE THROUGH ACTION

### Zenplus Private Limited Launches 46 New Hi-Tech 108 Ambulances in Punjab

In partnership with the state government, Zenplus launched 46 new state-of-the-art 108 Emergency Response Service Ambulances in Punjab. This expansion has strengthened the state's emergency medical services, enhancing response times and ensuring life-saving care across the region.

The ambulances were flagged off by Health and Family Welfare Minister Dr. Balbir Singh, along with Sh. Kumar Rahul (IAS), Principal Secretary of Health, and Sh. Raman Bahl, Chairman PHSC. All ambulances are equipped with advanced medical equipment, including oxygen, ambu-bags, life-saving drugs, and GPS-enabled tracking systems.

The fleet also consists of seven 'Child Memorial Ambulances' dedicated to Samana (Patiala) in memory of the children who tragically lost their lives in a road accident on May 7, 2025. These ambulances not only stand as a tribute to their memory but also strengthen the emergency services across the state, ensuring timely medical interventions when needed.

This initiative reaffirms Zenplus' commitment to saving lives and building stronger communities through timely medical services and quality solutions. By continuously strengthening its fleet, Zenplus aims to ensure that every individual gets access to quality medical care when it matters most.

## STORIES OF IMPACTFUL SERVICE AND CARE

### ALS Ambulance Aids in the Swift Transfer of an Unconscious Patient

Ms. Ruchi, 18, suffering from severe chest pain, was swiftly transferred from Community Health Center, Moth, to MLB Medical College, Jhansi, by our ALS Ambulance. The staff ensured proper care and regular monitoring of vitals during the transit. She was revived after reaching the hospital. Her family expressed sincere gratitude to the crew for their service and care.

### ALS Ambulance Saves the Life of a Baby Having Difficulty Breathing

ALS Ambulance aided in the quick transfer of a 4-day-old baby suffering from breathlessness and unconsciousness from Lalitpur DH to MLB Medical College, Jhansi. The crew provided continuous oxygen support and regular monitoring of vitals, ensuring a smooth and safe transport.

The family was thankful for the exceptional service and care.

### 108 Ambulance Crew Assists in an Emergency Delivery

108 Ambulance crew assisted in the emergency delivery of a baby at Faridkot. The delivery case was picked up from Machaki Mal Ka Village and dropped off at Civil Hospital, Faridkot. As the mother went into labour during the journey, our crew helped ensure a safe and smooth delivery in the ambulance itself.

### ALS Ambulance Saves Critically Injured Patient with Timely Care

Seven-year-old Krishna Kumar was severely injured when a pressure cooker exploded in his house. He was taken to the District Hospital, Lakhimpur Kheri, for treatment and later referred to KGMU Trauma Center, Lucknow. Pilot Ishrat Ali and EMT Amrit Bajpai took great care of the patient, providing him with continuous monitoring and appropriate medical treatment during the transit.

## BUILDING STRONGER COMMUNITIES TOGETHER

### Zenzo Conducts Health and Eye Check-up Camp in Nagpur

Zenzo conducted a Health and Eye Check-up Camp for the employees of RBL Bank in Nagpur. The camp was inaugurated by the Chief Minister of Maharashtra, Shri Devendra Fadnavis Ji, and aimed at promoting preventive healthcare and employee well-being. Through this camp, employees received essential health consultations from experienced medical professionals.

The camp was a huge success and witnessed enthusiastic participation. Employees appreciated this effort, reinforcing Zenzo's commitment to supporting employee health and well-being. Through such initiatives, Zenzo strives to continue its dedication to creating a long-lasting impact for organisations and empowering employees to lead healthier lives.

### Zenzo Launches MMU at Buldhana for Evonith Steel

Demonstrating its commitment to delivering high-quality corporate health services, Zenzo launched a Mobile Medical Unit (MMU) for Evonith Steel in Buldhana. The unit is equipped with advanced medical equipment and gadgets that help provide essential medical services, health check-ups, and support for employees on site.

By bringing healthcare directly to the workplace, Zenzo continues to strengthen employee health and safety while empowering organisations to build safer and stronger workforces. Our MMU not only ensures timely intervention but also enhances overall employee well-being by promoting preventive healthcare practices and fostering workplace wellness.

### Zenzo Announces Partnership with Yodda Elder Care

Zenzo is proud to announce its new partnership with Yodda Elder Care. We have signed a contract for Annual Ambulance Subscription to support their mission of providing reliable and timely care for the elderly. Through this collaboration, we deliver high-quality ambulance services, enhancing safety and emergency response for those in need.

Zenzo is committed to its mission to provide high-quality, accessible, and dependable healthcare services to all. Together with Elder Care, we aim to create a safer and more secure environment for all, ensuring peace of mind through timely and quality emergency medical services.
