CEO

Zenplus Fleet Management

Dear all,

I hope this newsletter finds you in good health and spirits. As we wrap up yet another meaningful month at Zenplus Private Limited, I'm reminded of the dedication, passion, and resilience that have continued to carry us forward in our journey, regardless of the challenges we face. It is through your support and the unwavering commitment of our teams that we've grown stronger in our purpose of saving lives and fostering trust in emergency healthcare across communities.

As we move through the second half of 2025, I would like to take a moment to reflect on the hard work and tireless efforts demonstrated by each of you toward our vision and mission. Every call answered, every ambulance dispatched, and every patient supported has been a true reflection of our compassion, reliability, and life-saving care. Through our ongoing efforts to expand our reach, we continue to strengthen our impact and bring timely care to those who need it most.

Our brands, Zenplus Private Limited, Zenzo, and Zenplus Fleet, each continue to play a significant role in advancing our shared purpose. From strengthening emergency healthcare with swift and responsive systems to promoting corporate wellness and preventive care, our efforts remain focused and purposeful. We also continue to expand our mobility solutions across several regions, ensuring every ride is seamless, reliable, and built for convenience.

As we look toward the coming months, our commitment to excellence, innovation, and service remains as strong as ever. Whether it's saving lives, promoting well-being, or enabling smoother journeys, each step we take is guided by the values we hold close.

Let us continue to grow together and move forward with purpose, shaping safer, healthier, and better-connected communities for all.

STORIES OF LIFE-SAVING CARE AND COMPASSION

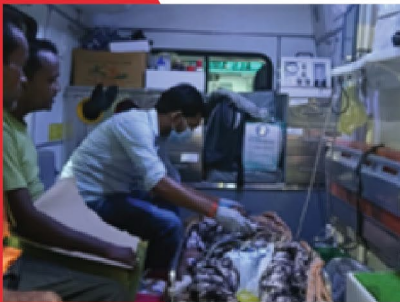

ALS Ambulance Saves the Life of a Cardiac Arrest Patient

Mr. Rameshwar Dayal, 85, suffered a severe heart attack and was referred from Auraiya District to LPS Cardiology, Kanpur. Our staff ensured proper care and regular vital monitoring throughout the transit. He was safely transported and well-revived after reaching the hospital. His son expressed immense gratitude for our timely service and care.

ALS Ambulance Ensures Timely Care of an Unconscious Patient

Our ALS ambulance aided in the safe transfer of Mrs. Poonam Devi, 39, from AIIMS Raebareli to KGMU Lucknow. She suffered a high fever and lost consciousness. Throughout the journey, our crew provided her with first aid, continuous vital monitoring, and life-saving support. She was transported in critical condition and safely admitted to KGMU for further treatment.

108 Ambulance Crew Assists Emergency Delivery in Ambulance at Patiala

Our 108 Ambulance crew assisted in the emergency delivery of a baby girl at Patiala. The case was picked up from Saifdipur Village and dropped off at Mata Kaushalya Hospital, Patiala. As the mother couldn't handle the labour during the transit, our crew helped ensure a safe and smooth delivery in the ambulance itself. Both the child and the mother are in good health now.

108 Ambulance Organized First Responder Program at Pathankot

Our 108 Ambulance Crew organized a First responder program at Civil Hospital, Pathankot. FRP trainer Jaswinder Singh, along with CL Joginder Singh, trained the hospital staff on how to respond within the golden hour or any emergency situation. The program received excellent participation, and the staff appreciated this effort by ZPL.

EXPANDING HORIZONS, DEEPENING CARE

Zenzo Launches a MMU at Malkapur for Evonith Steel

Reinforcing its commitment to accessible and impactful healthcare, Zenzo has launched a new Mobile Medical Unit (MMU) for Evonith Steel in Malkapur. As part of a focused CSR (Corporate Social Responsibility) initiative, this MMU aims to serve underserved communities across 10 villages surrounding the region.

Equipped to provide essential health services, the unit brings quality medical care closer to those who need it most. Key representatives, including the CSR Head and members of the CSR and Marketing teams, were present to mark the launch. Through this initiative, Zenzo strengthens its goal of ensuring quality healthcare for all.

Zenzo Launches an Eeco BLS Ambulance for Merry Health at Faridabad

Zenzo launched a fully equipped Eeco Basic Life Support (BLS) Ambulance with a dedicated driver for Merry Health in Faridabad, Haryana. Designed to ensure swift and efficient medical transport, this initiative strengthens our ability to respond to emergencies and provide critical healthcare support when it's needed most.

The launch was marked by the presence of Mr. Vivek Choudhary, Operations Manager at Merry Health, along with Zenzo's representative, Mr. Satyam Chauhan. This milestone reflects Zenzo's unwavering commitment to strengthening emergency care and supporting communities through reliable healthcare solutions.

Zenzo Launches an ALS Ambulance for Rustomjee Builders Crest in Mumbai

Zenzo has deployed an Advanced Life Support (ALS) Ambulance at Rustomjee Builders Crest in Mumbai, further strengthening its mission to enhance emergency medical care. Fully equipped with advanced medical infrastructure, the ALS ambulance ensures rapid, life-saving support during critical situations on-site.

The launch was marked by the presence of key client stakeholders and Zenzo's leadership team, highlighting a shared vision of workplace safety and dependable healthcare access. With every new launch, Zenzo continues to drive forward in its mission to make quality healthcare more responsive, accessible, and effective.

EMPOWERING COMMUNITIES WITH LIFESAVING SKILLS

Zenzo Conducts a CPR Training Program for SBI Employees in Pune

Zenzo recently conducted a hands-on CPR training session for employees of the State Bank of India, Pune. The program aimed to equip participants with essential life-saving skills, enabling them to respond effectively during medical emergencies, both at the workplace and in daily life.

The session, conducted by Dr. Siddhesh, provided a comprehensive overview of CPR techniques, emphasizing the importance of timely intervention and maintaining composure in high-pressure situations. His engaging and practical approach simplified complex procedures into easy-to-follow steps that participants could apply effortlessly if needed.

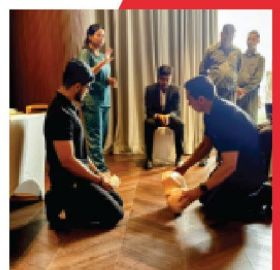

A heartfelt thanks to Dr. Siddhesh for sharing his expertise and to Mr. Akshay for his valuable support in organizing the session. The session saw enthusiastic participation, and employees expressed appreciation for the opportunity to learn something so valuable.

Through such initiatives, Zenzo remains committed to fostering a culture of safety and preparedness. By equipping individuals with essential emergency skills, Zenzo continues to drive its mission of safer workplaces and stronger communities.

Zenzo Conducts First Aid and CPR Training at Shangri-La Hotel, New Delhi

Zenzo organized a comprehensive First Aid and CPR training session for the staff of Shangri-La Eros Hotel, New Delhi. A total of 41 employees underwent training, gaining both theoretical knowledge and hands-on experience in first aid and CPR techniques. Focused on empowering participants with in-depth knowledge and practical medical skills, the session ensured that each attendee was equipped to respond swiftly and effectively in emergency situations.

From learning how to assess an emergency scene to performing CPR and using an AED (Automated External Defibrillator), the training covered a wide range of lifesaving techniques. Each participant had the opportunity to practice these skills under expert supervision, reinforcing their understanding through hands-on learning and feedback.

The interactive nature of the session allowed for enthusiastic participation, boosting the participants' confidence in handling real-life medical emergencies. The program received highly positive feedback, with employees commending the clarity of instruction and the hands-on approach that made the learning both practical and memorable.

At Zenzo, we believe that timely knowledge can make all the difference in saving lives. Through such training programs, we aim to create a culture of awareness and responsibility, ensuring individuals feel empowered to take the right action when it matters most.
